1. The Mostar air base is equipped with five large hangars, all of which are described as being in good condition. The base headquarters is housed in a large three-story building together with the command of air force regiment. There is another two-story building which is used to quarter troops.
2. An air force fighter regiment is stationed at the base. It is equipped with 20 or 25 Russian type fighter planes. In addition to these, there are four "Roda" (sic) type planes at the base.
3. There are an unspecified number of underground fuel tanks located about 800 meters northeast of the base.
